

## PRODUCT NEWS

### Crane Merchandising Systems **Fusion**...

...now with triple freshbrew appeal!

**Crane Merchandising Systems** have exceeded customers expectations once again with the addition of a triple freshbrew option to its market leading **Stentorfield Fusion** freestanding drinks machine.

#### **Unique Package**

Increasing point-of-sale impact and promoting sales.

#### **Superb Drinks Choice**

Launched into the Stentorfield range in April 2002, besides delicious freshbrew drinks the Fusion offers customers a wide range of instant and bean to cup hot drinks, along with a selection of still and carbonated cold drinks. Its small footprint means it can fit comfortably into most office, factory or public reception areas.

#### **Enhanced Features**

The triple freshbrew enhancement has been developed in response to the increasingly demanding and competitive market conditions, making the machine a real fusion of all the very best in vending, customer choice, design and practical operation.
